

**VIRGINIA MEDICARE-MEDICAID FINANCIAL ALIGNMENT DEMONSTRATION  
MANAGED CARE ORGANIZATION CONTACT INFORMATION  
January 10, 2013**

**Disclaimer:**

This list below represents, to the best of DMAS' knowledge at the time of release, the managed care organizations (MCOs) that have:

- 1) submitted a NON-BINDING notice of intent to the Centers for Medicare & Medicaid Services (CMS) to participate in Virginia's Medicare-Medicaid Financial Alignment Demonstration; AND,
- 2) provided written consent to DMAS to publically share the fact that they submitted a notice of intent to apply and their contact information.

Therefore, the list below does not include every MCO that has submitted their intent to apply to date.

The qualification, *non-binding* means that although an MCO has indicated intent to apply, they may choose not to apply at a later date. Furthermore, it does not guarantee that an MCO will respond to DMAS' Request for Applications, when it is published later this year.

MCOs have until January 31, 2013 to notify CMS of their intent to apply to the Demonstration. Therefore, the list below does not include MCOs that have not yet indicated intent, but may do so by the January 31, 2013 deadline. DMAS will update the list if additional MCOs submit a notice of intent AND provide DMAS with written consent to publically share their information.
